- A. Update Regarding Project for Local Designation of Historic Properties:
1. Final Two Properties:
 - a. Bolles House
 - b. Bissell Mound

These 2 properties were completed by our Consultant, sent to the City of Afton and forwarded on to the State of Minnesota Historic Preservation Office (SHPO) by City Administrator, Ron Moorese.
 2. The Afton City Council approved all 13 properties by resolution in the August 16, 2015 meeting.

B. Historic Plaques:

1. Randers presented a layout with suggestions from Stern that the name of the property be the largest font at the top of the plaque. This was approved by all present. See attached sample layout. Plaque design, color selection and placement location on properties are To Be Determined.
2. Two sizes have been selected: 9"x13" and 11"x13". The smaller was approved for most residential installations. The larger may be used for properties where a free-standing sign on a post seems appropriate, for example the Town Square Park.
3. The Commission is requesting the City Council to approve financing and installation of the plaques.
4. Randers and Cox will review each property on-site and consult with each property owner as to where they would want the plaque to be placed.

This item will be continued to the September meeting.
