Re: Dorgan Request to Apply for Short Term Home Rental License

In August of 2021, the Council approved a conditional use permit (CUP) for Krista and Steve Dorgan for a health and wellness center at 3185 St. Croix Trail that included a short term home rental use. A condition of the CUP approval was that a license be obtained for the short term home rental use. Due to a delay in the project, a short term home rental license was not obtained prior to the current moratorium on short term home rental license applications. Because the CUP approval includes the short term home rental use and requires the short term home rental license, the Dorgans have requested that they be allowed to submit a short term home rental license application for review and approval. The City Attorney has advised that the license application can be allowed to be submitted with the Council's approval.

COUNCIL ACTION REQUESTED:

Motion regarding the Krista and Steve Dorgan request to submit a short term home rental license application at 3185 St. Croix Trail for review and approval.
