CITY OF ASTON

OBSERVATIONS / Concerns

Valley Creek Trail Traffic

(Bicyclists)

- Cycles don't respect pedestrians
- Ditto
- speed - too fast - (20 is enough!)
" " " " ^{tired of cars keeping rubber}
- " ESP MOTORCYCLES
- Keep Power Lines clear of limbs
- Stagecoach trail Motorcycle speed too fast
- Need a blind driveway sign at 14775 Valley Crk. Trl S. Many VERY close calls have happened there. People accelerate around the corner (just past Tudy Post) on to the straight away
- The Stop sign at Valley Creek and Stagecoach is in the WRONG SPOT! They belong on the right side. It is in the middle causing confusion at its first tight of a turn. It has been knocked down more times than I can count.
- Drivers Don't slow down for kids riding bikes or parents with strollers
- Tailgaters pass on curves
- Too Much Traffic
- Bike / walk lane needed
- Monitor Coyote Killers - Too Many Deer

8/2024

OBSERVATIONS / Concerns

Valley Creek Trail Traffic

Traffic is too fast for neighborhood

- Cars go through stop signs at Stagecoach & Valley Creek + at Neal
- Also at Trading Post & Valley Creek

- Snowshoe @ Belwin for gathering?

- Cars go too FAST! Too many pedestrians, skiers & bikers to go that FAST!

Turn road into "scenic" w/ lower speed limit

- the speed of the traffic is excessive and fast and extremely dangerous for us exiting our hidden driveway.
- Motorcycles too loud

8/2021

★ Great to do a walking of Valley
Greek Tour

East v. West side

- social w/ people walking house to
house + people eat + drink at
each house.
