2021 Pavement Improvement Project 06/04/21 Construction Update

Note: Dates provided below are estimated and may change due to weather or unforeseen construction issues.

This Week

- All project roads have been paved with all layers of pavement except for 32nd Street.
- Poor subgrade material is being removed and replaced with suitable base material on 32nd St. and the road is being final graded in preparation of paving.

Next Week & Beyond

- Final paving of 32nd Street.
- The contractor will complete gravel shoulders and reestablish turf areas after paving is complete.
- It is expected that paving of all roads and shouldering will be complete by the end of next week (6/11).
- The City will haul away any excess topsoil material along roads where needed after the contractor has completed the project. These areas will be reestablished with seed after material is removed.

Reminders

- Please do not park vehicles on streets under construction between 7:00am and 7:00pm.
- Slow down and watch for uneven surfaces
- Stay alert! Watch for signs, equipment, and workers
