

Want to Volunteer?

Volunteers are a key part of the Senior Chore Services Initiative! If you're able and willing to help seniors with chores like lawn care, snow plowing, light cleaning, painting, small repairs or gardening, we can use your help! This is a flexible volunteer position—we'll notify you when a job comes up, and you'll make arrangements with the senior to complete the work. Contact Lisa or Elena at 651-439-7434 or elena@communitythreadmn.org for more information or to apply for this volunteer position.

**Senior
Chore
Services
Initiative**

*An initiative that
matches seniors with
volunteers and
professional service
providers to assist with
household chores and
projects.*

About the Chore Service Initiative

Many seniors these days are choosing to live independently and stay in their homes for longer. But sometimes you need just a little help with everyday chores like lawn care, snow removal, cleaning, painting, small repairs or even gardening. The goal of the Chore Services Initiative is to help seniors remain in their homes longer by connecting them with volunteers and professional service providers who can help them with chores and home projects.

Volunteer Assistance

Sometimes you just need a helping hand around the house. That's where our volunteers come in. Volunteers offer free services to seniors like lawn mowing, snow blowing, small repair jobs, gardening, light cleaning work and more. If you would like a volunteer to help you with a specific chore, contact Community Thread to receive an application for our Chore Services Initiative. Once we've received your application, we can connect you to a volunteer who can help you with the job you need done.

You'll need to fill out an application for each task you need assistance with so that we can match you up with an available volunteer. All volunteers will undergo background checks and training before being sent to individual homes, and will be supervised by Community Thread staff members.

Preferred Providers

Some jobs are just too big for volunteers. Things like plumbing, electrical work and concrete repair need to be done by a professional. That's why Community Thread has put together a list of Preferred Providers—service providers who meet our standards of quality service to seniors and offer reliable assistance. Some even offer a senior discount on these services.

We have a full list of preferred providers available to you. Just contact us at 651-439-7434, visit our website or stop by our offices to learn more.
